

AN ACT concerning regulation.

**Be it enacted by the People of the State of Illinois,  
represented in the General Assembly:**

Section 5. The Regulatory Sunset Act is amended by changing Section 4.30 and by adding Section 4.40 as follows:

(5 ILCS 80/4.30)

Sec. 4.30. Acts repealed on January 1, 2020. The following Acts are repealed on January 1, 2020:

The Auction License Act.

The Community Association Manager Licensing and Disciplinary Act.

The Illinois Architecture Practice Act of 1989.

The Illinois Landscape Architecture Act of 1989.

The Illinois Professional Land Surveyor Act of 1989.

The Orthotics, Prosthetics, and Pedorthics Practice Act.

The Perfusionist Practice Act.

The Pharmacy Practice Act.

~~The Professional Engineering Practice Act of 1989.~~

The Real Estate License Act of 2000.

The Structural Engineering Practice Act of 1989.

(Source: P.A. 100-497, eff. 9-8-17; 100-534, eff. 9-22-17; 100-863, eff. 8-14-18.)

(5 ILCS 80/4.40 new)

Sec. 4.40. Act repealed on January 1, 2030. The following Act is repealed on January 1, 2030:

The Professional Engineering Practice Act of 1989.

Section 10. The Professional Engineering Practice Act of 1989 is amended by changing Sections 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 14, 15, 16, 17, 17.5, 18, 19, 20, 23, 24, 25, 26, 27, 27.5, 29, 32, 33, 34, 37, 41, 44, 45, 47, and 48 and by adding Sections 4.5, 20.5, 20.10, and 31.5 as follows:

(225 ILCS 325/3) (from Ch. 111, par. 5203)

(Section scheduled to be repealed on January 1, 2020)

Sec. 3. Application of ~~the Act; exemptions~~ Exemptions.

(a) Nothing in this Act shall be construed to prevent the practice of structural engineering as defined in the Structural Engineering Practice Act of 1989 or the practice of architecture as defined in the Illinois Architecture Practice Act of 1989 or the regular and customary practice of construction contracting and construction management as performed by construction contractors.

(b) Nothing in this Act shall be construed to prevent the regular and customary practice of a private alarm contractor licensed pursuant to the Private Detective, Private Alarm, Private Security, Fingerprint Vendor, and Locksmith Act of 2004.

(c) Nothing in this Act shall be construed to prevent a fire sprinkler contractor licensed under the Fire Sprinkler Contractor Licensing Act from providing fire protection system layout documents. For the purpose of this subsection (c), "fire protection system layout documents" means layout drawings, catalog information on standard products, and other construction data that provide detail on the location of risers, cross mains, branch lines, sprinklers, piping per applicable standard, and hanger locations. Fire protection system layout documents serve as a guide for fabrication and installation of a fire sprinkler system.

(d) A building permit for a building that requires a fire suppression system shall not be issued without the submission of a technical submission prepared and sealed by a licensed design professional. Fire protection system layout documents do not require an engineering seal if prepared by a technician who holds a valid NICET level 3 or 4 certification in fire protection technology, automatic sprinkler system layout. An authority having jurisdiction may not accept fire protection system layout documents in lieu of technical submissions. Fire protection system layout documents may be submitted as supporting documents to supplement technical submissions. However, in the event the fire protection system layout documents materially alter the technical submissions, the authority having jurisdiction shall return both the fire protection layout documents and technical submissions to the

licensed design professional for review.

(e) Nothing in this Act shall prevent:

(1) Employees, including project representatives, of professional engineers lawfully practicing as sole owners, partnerships or corporations under this Act, from acting under the direct supervision of their employers.

(2) The employment of owner's representatives by the owner during the constructing, adding to, or altering of a project, or any parts thereof, provided that such owner's representative shall not have the authority to deviate from the technical submissions without the prior approval of the professional engineer for the project.

(3) The practice of officers and employees of the Government of the United States while engaged within this State in the practice of the profession of engineering for the Government.

(4) Services performed by employees of a business organization engaged in utility, telecommunications, industrial, or manufacturing operations, or by employees of laboratory research affiliates of such business organization that ~~which~~ are rendered in connection with the fabrication or production, sale, and installation of products, systems, or nonengineering services of the business organization or its affiliates.

(5) Inspection, maintenance and service work done by employees of the State of Illinois, any political

subdivision thereof or any municipality.

(6) The activities performed by those ordinarily designated as chief engineer of plant operation, chief operating engineer, locomotive, stationary, marine, power plant or hoisting and portable engineers, electrical maintenance or service engineers, personnel employed in connection with construction, operation or maintenance of street lighting, traffic control signals, police and fire alarm systems, waterworks, steam, electric, and sewage treatment and disposal plants, or the services ordinarily performed by any worker regularly employed as a locomotive, stationary, marine, power plant, or hoisting and portable engineer or electrical maintenance or service engineer for any corporation, contractor or employer.

(7) The activities performed by a person ordinarily designated as a supervising engineer or supervising electrical maintenance or service engineer who supervises the operation of, or who operates, machinery or equipment, or who supervises construction or the installation of equipment within a plant that ~~which~~ is under such person's immediate supervision.

(8) The services, for private use, of contractors or owners in the construction of engineering works or the installation of equipment.

~~(f) No officer, board, commission, or other public entity charged with the enforcement of codes and ordinances involving~~

~~a professional engineering project shall accept for filing or approval any technical submissions that do not bear the seal and signature of a professional engineer licensed under this Act.~~

(225 ILCS 325/4) (from Ch. 111, par. 5204)

(Section scheduled to be repealed on January 1, 2020)

Sec. 4. Definitions. As used in this Act:

(a) "Address of record" means the designated address recorded by the Department in the applicant's or licensee's application file or license file maintained by the Department's licensure maintenance unit. ~~It is the duty of the applicant or licensee to inform the Department of any change of address, and such changes must be made either through the Department's website or by directly contacting the Department.~~

(a-5) "Approved engineering curriculum" means an engineering curriculum or program of 4 academic years or more ~~that which~~ meets the standards established by the rules of the Department.

(b) "Board" means the State Board of Professional Engineers of the Department.

(c) "Department" means the Department of Financial and Professional Regulation.

(d) "Design professional" means an architect, structural engineer, or professional engineer practicing in conformance

with the Illinois Architecture Practice Act of 1989, the Structural Engineering Practice Act of 1989 or the Professional Engineering Practice Act of 1989.

(e) (Blank).

(f) "Direct supervision/responsible charge" means work prepared under the control of a licensed professional engineer or that work as to which that professional engineer has detailed professional knowledge. The Department may further define this term by rule.

(f-5) "Email address of record" means the designated email address of record by the Department in the applicant's application file or the licensee's license file as maintained by the Department's licensure maintenance unit.

(g) "Engineering college" means a school, college, university, department of a university or other educational institution, reputable and in good standing in accordance with rules prescribed by the Department, and which grants baccalaureate degrees in engineering.

(h) "Engineering system or facility" means a system or facility whose design is based upon the application of the principles of science for the purpose of modification of natural states of being.

(i) "Engineer intern" means a person who is a candidate for licensure as a professional engineer and who has been enrolled as an engineer intern.

(j) "Enrollment" means an action by the Department to

record those individuals who have met the Department's requirements for an engineer intern.

(k) "License" means an official document issued by the Department to an individual, a corporation, a partnership, a professional service corporation, a limited liability company, or a sole proprietorship, signifying authority to practice.

(l) "Negligence in the practice of professional engineering" means the failure to exercise that degree of reasonable professional skill, judgment and diligence normally rendered by professional engineers in the practice of professional engineering.

(m) "Professional engineer" means a person licensed under the laws of the State of Illinois to practice professional engineering.

(n) "Professional engineering" means the application of science to the design of engineering systems and facilities using the knowledge, skills, ability and professional judgment developed through professional engineering education, training and experience.

(o) "Professional engineering practice" means the consultation on, conception, investigation, evaluation, planning, and design of, and selection of materials to be used in, administration of construction contracts for, or site observation of, an engineering system or facility, where such consultation, conception, investigation, evaluation, planning, design, selection, administration, or observation requires

extensive knowledge of engineering laws, formulae, materials, practice, and construction methods. A person shall be construed to practice or offer to practice professional engineering, within the meaning and intent of this Act, who practices, or who, by verbal claim, sign, advertisement, letterhead, card, or any other way, is represented to be a professional engineer, or through the use of the initials "P.E." or the title "engineer" or any of its derivations or some other title implies licensure as a professional engineer, or holds himself or herself out as able to perform any service which is recognized as professional engineering practice.

Examples of the practice of professional engineering include, but are not ~~need not be~~ limited to, transportation facilities and publicly owned utilities for a region or community, railroads, railways, highways, subways, canals, harbors, river improvements; land development; stormwater detention, retention, and conveyance, excluding structures defined under Section 5 of the Structural Engineering Practice Act of 1989 (~~225 ILCS 340/5~~); irrigation works; aircraft and airports; traffic engineering; waterworks, piping systems, sewers, sewage disposal works, storm sewer, sanitary sewer and water system modeling; plants for the generation of power; devices for the utilization of power; boilers; refrigeration plants, air conditioning systems and plants; heating systems and plants; plants for the transmission or distribution of power; electrical plants which produce, transmit, distribute,

or utilize electrical energy; works for the extraction of minerals from the earth; plants for the refining, alloying or treating of metals; chemical works and industrial plants involving the use of chemicals and chemical processes; plants for the production, conversion, or utilization of nuclear, chemical, or radiant energy; forensic engineering, geotechnical engineering including, subsurface investigations; soil and rock classification, geology and geohydrology, incidental to the practice of professional engineering; geohydrological investigations, migration pathway analysis (including evaluation of building and site elements), soil and groundwater management zone analysis and design; energy analysis, environmental risk assessments, corrective action plans, design, remediation, protection plans and systems, hazardous waste mitigation and control, and environmental control or remediation systems; recognition, measurement, evaluation and control of environmental systems and emissions; control systems, evaluation and design of engineered barriers, excluding structures defined under Section 5 of the Structural Engineering Practice Act of 1989 (~~225 ILCS 340/5~~); modeling of pollutants in water, soil, and air; engineering surveys of sites, facilities, and topography specific to a design project, not including land boundary establishment; automated building management systems; control or remediation systems; computer controlled or integrated systems; automatic fire notification and suppression systems; investigation and assessment of

indoor air inhalation exposures and design of abatement and remediation systems; or the provision of professional engineering site observation of the construction of works and engineering systems. In the performance of any of the foregoing functions, a licensee shall adhere to the standards of professional conduct enumerated in 68 Ill. Adm. Code 1380.300. Nothing contained in this Section imposes upon a person licensed under this Act the responsibility for the performance of any of the foregoing functions unless such person specifically contracts to provide it. Nothing in this Section shall preclude an employee from acting under the direct supervision or responsible charge of a licensed professional engineer.

(p) "Project representative" means the professional engineer's representative at the project site who assists in the administration of the construction contract.

(q) "Registered" means the same as "licensed" for purposes of this Act.

(r) "Related science curriculum" means a 4-year ~~4-year~~ program of study, the satisfactory completion of which results in a Bachelor of Science degree, and which contains courses from such areas as life, earth, engineering and computer sciences, including, but not limited to, physics and chemistry. In the study of these sciences, the objective is to acquire fundamental knowledge about the nature of its phenomena, including quantitative expression, appropriate to particular

fields of engineering.

(s) "Rules" means the ~~these~~ rules adopted ~~promulgated~~ pursuant to this Act.

(t) "Seal" means the seal in compliance with Section 14 of this Act.

(t-5) "Secretary" means the Secretary of ~~the Department of~~ Financial and Professional Regulation.

(u) "Site observation" means ~~is~~ visitation of the construction site for the purpose of reviewing, as available, the quality and conformance of the work to the technical submissions as they relate to design.

(v) "Support design professional" means a professional engineer practicing in conformance with the Professional Engineering Practice Act of 1989, who provides services to the design professional who has contract responsibility.

~~(w) "Technical submissions" are the designs, drawings, and specifications which establish the scope and standard of quality for materials, workmanship, equipment, and systems. "Technical submissions" also includes, but are not limited to, studies, analyses, calculations, and other technical reports prepared in the course of the practice of professional engineering or under the direct supervision and responsible charge of a licensed professional engineer.~~

(Source: P.A. 96-626, eff. 8-24-09.)

Sec. 4.5. Address of record; email address of record. All applicants and licensees shall:

(1) provide a valid address and email address to the Department, which shall serve as the address of record and email address of record, respectively, at the time of application for licensure or renewal of a license; and

(2) inform the Department of any change of address of record or email address of record within 14 days after such change either through the Department's website or by contacting the Department's licensure maintenance unit.

(225 ILCS 325/5) (from Ch. 111, par. 5205)

(Section scheduled to be repealed on January 1, 2020)

Sec. 5. Powers and duties of the Department. ~~The Subject to the provisions of this Act,~~ the Department shall exercise, subject to the provisions of this Act, the following functions, powers, and duties:

(a) Authorize examinations to ascertain the fitness and qualifications of applicants for licensure and pass upon the qualifications and fitness of applicants for licensure by endorsement. ~~To pass upon the qualifications and conduct examinations of applicants for licensure as professional engineers or enrollment as engineer interns and pass upon the qualifications of applicants by endorsement and issue a license or enrollment to those who are found to be fit and qualified.~~

(b) Adopt rules required for the administration of this Act. ~~To prescribe rules for the method, conduct and grading of the examination of applicants.~~

(c) Conduct hearings on proceedings to refuse to issue or renew, restore, revoke, or suspend licenses or place on probation or reprimand persons or entities licensed under the provisions of this Act. ~~To register corporations, partnerships, professional service corporations, limited liability companies, and sole proprietorships for the practice of professional engineering and issue a certificate of registration to those who qualify.~~

(d) Issue licenses to those who meet the requirements of this Act. ~~To conduct investigations and hearings regarding violations of this Act and take disciplinary or other actions as provided in this Act as a result of the proceedings.~~

(e) Adopt ~~To prescribe~~ rules as to what shall constitute a ~~an~~ professional engineering or related science curriculum ~~and to determine if a specific engineering curriculum is in compliance with the rules, and to terminate the approval of a specific engineering curriculum for non-compliance with such rules.~~

(f) Adopt rules for what constitutes professional engineering experience. ~~To promulgate rules required for the administration of this Act, including rules of professional conduct.~~

(g) Maintain ~~To maintain~~ membership in the National Council of Examiners for Engineering and Surveying and participate in activities of the Council by designation of individuals for the various classifications of membership, the appointment of delegates for attendance at zone and national meetings of the Council, and the funding of the delegates for attendance at the meetings of the Council.

(h) Adopt rules for standards of professional conduct.

(i) Obtain ~~To obtain~~ written recommendations from the Board regarding qualifications of individuals for licensure and enrollment, definitions of curriculum content and approval of engineering curricula, standards of professional conduct and formal disciplinary actions, and the adoption ~~promulgation~~ of the rules affecting these matters.

Upon the issuance of any final decision or order that deviates from any report or recommendation of the Board relating to the qualification of applicants, discipline of licensees or registrants, or adoption of rules, the Secretary shall notify the Board on any such deviation and shall specify with particularity the reasons for the action in the final decision or order. ~~Prior to issuance of any final decision or order that deviates from any report or recommendations of the Board relating to the qualification of applicants, discipline of licensees or registrants, or promulgation of rules, the Secretary shall notify the Board~~

~~in writing with an explanation of any such deviation.~~ The Department may at any time seek the expert advice and knowledge of the Board on any matter relating to the enforcement of this Act.

(i) Post ~~To post~~ on the Department's website, a newsletter describing the most recent changes in this Act and the rules adopted under this Act and containing information of any final disciplinary action that has been ordered under this Act since the date of the last newsletter.

(j) Review ~~To review~~ such applicant qualifications to sit for the examination or for licensure as the Board designates pursuant to Section 7 of this Act.

(k) Conduct investigations related to possible violations of this Act.

(225 ILCS 325/6) (from Ch. 111, par. 5206)

(Section scheduled to be repealed on January 1, 2020)

Sec. 6. Board. ~~Composition, qualifications and terms of the Board.~~

(a) The Secretary shall appoint a Professional Engineering Board. The Board shall consist of 10 members who shall serve in an advisory capacity to the Secretary. All shall be residents of Illinois. 9 members shall (i) currently hold a valid professional engineering license in Illinois and shall have

held the license under this Act for the previous 10-year period and (ii) have not been disciplined within the last 10-year period under this Act. In addition to the 9 professional engineers, there shall be one public member. The public member shall be a voting member and shall not be licensed under this Act or any other design profession licensing Act that the Department administers.

(b) Board members shall serve 5-year terms and until their successors are appointed and qualified.

(c) In appointing members to the Board, the Secretary shall give due consideration to recommendations by members and organizations of the professional engineering profession.

(d) The membership of the Board should reasonably reflect representation from the geographic areas in this State.

(e) No member shall be reappointed to the Board for a term which would cause his or her continuous service on the Board to be longer than 2 consecutive 5-year terms.

(f) Appointments to fill vacancies shall be made in the same manner as original appointments for the unexpired portion of the vacated term.

(g) Six members shall constitute a quorum. A quorum is required for Board decisions.

(h) The Secretary may remove any member of the Board for misconduct, incompetence, or neglect of duty or for reasons prescribed by law for removal of State officials. The Secretary may remove a member of the Board who does not attend 2

consecutive meetings.

(i) Notice of proposed rulemaking shall be transmitted to the Board, and the Department shall review the response of the Board and any recommendations made therein.

(j) Members of the Board shall not be liable for damages in any action or proceeding as a result of activities performed as members of the Board, except upon proof of actual malice.

(k) Members of the Board shall be reimbursed for all legitimate, necessary, and authorized expenses.

~~(a) The Board shall be appointed by the Secretary and shall consist of 10 members, one of whom shall be a public member and 9 of whom shall be professional engineers licensed under this Act. In addition each member who is a professional engineer shall:~~

~~(1) be a citizen of the United States, and~~

~~(2) be a resident of this State.~~

~~(b) In addition, each member who is a professional engineer shall:~~

~~(1) have not less than 12 years of experience in the practice of professional engineering, and shall hold an active license as a professional engineer in Illinois;~~

~~(2) have been in charge of professional engineering work for at least 5 years. For the purposes of this Section, any period in which a person has been in charge of teaching engineering in an engineering college with the rank of assistant professor or higher shall be considered~~

~~as time in which such person was in charge of professional engineering work.~~

~~The terms for all members shall be for 5 years. On the expiration of the term of any member or in the event of a vacancy, the Secretary shall appoint a member who shall hold office until the expiration of the term for which the member is appointed and until a successor has been appointed and qualified.~~

~~No member shall be reappointed to the Board for a term which would cause that individual's lifetime service on the Board to be longer than 15 years.~~

~~In implementing the 5 year terms, the Secretary shall vary the terms to enable the Board to have no more than 2 terms expire in any one year.~~

~~The public member shall be a voting member and shall not hold a license as an architect, professional engineer, structural engineer, or a land surveyor. The public member shall be an Illinois resident and a citizen of the United States.~~

~~In making appointments to the Board, the Secretary shall give due consideration to recommendations by members of the profession and by organizations therein.~~

~~The Secretary may remove any member of the Board for misconduct, incompetence, neglect of duty or for reasons prescribed by law for removal of State officials.~~

~~The Secretary may remove a member of the Board who does not~~

~~attend 2 consecutive meetings.~~

~~A quorum of the Board shall consist of 6 Board members. A quorum is required for Board decisions.~~

~~Each member of the Board may receive compensation as determined by the Secretary and shall be reimbursed for all actual traveling expenses.~~

~~Members of the Board shall be immune from suit in any action based upon any disciplinary proceedings or other activities performed in good faith as members of the Board.~~

~~Persons holding office as members of the Board immediately prior to the effective date of this Act under the Act repealed herein shall continue as members of the Board until the expiration of the term for which they were appointed and until their successors are appointed and qualified.~~

Sec. 7. Powers and duties of the Board. Subject to the provisions of this Act, the Board shall exercise the following functions, powers, and duties:

(a) The Board shall hold at least 3 regular meetings each year. ~~Review applicant qualifications to sit for the examination or for licensure and shall make recommendations to the Department except for those applicant qualifications that the Board designates as~~

~~regularly acceptable;~~

(b) The Board shall annually elect a chairperson and a vice chairperson who shall be Illinois licensed professional engineers. ~~The Board may appoint a subcommittee to serve as a Complaint Committee to recommend the disposition of case files according to procedures established by rule in 68 Ill. Adm. Code 1380.305, and any changes and amendments thereto;~~

(c) The Board, upon request by the Department, may make a curriculum evaluation to approve a professional engineer program, a non-approved engineering program, and related science curriculum and submit to the Secretary a written recommendation of acceptability of a curriculum. ~~Conduct hearings regarding disciplinary actions and submit a written report and recommendations to the Secretary as required by this Act and to provide a Board member at informal conferences;~~

(d) The Department may at any time seek the expert advice and knowledge of the Board on any matter relating to the enforcement of this Act. ~~Make visits to universities or colleges to evaluate engineering curricula or to otherwise evaluate engineering curricula and submit to the Secretary a written recommendation of acceptability of a curriculum;~~

(e) The Board may appoint a subcommittee to serve as a Complaint Committee to recommend the disposition of case files according to procedures established by rule. ~~Submit a~~

~~written recommendation to the Secretary concerning promulgation of rules as required in Section 5 and to recommend to the Secretary any rules or amendments thereto for the administration of this Act;~~

(f) The Board shall assist the Department in conducting oral interviews, disciplinary conferences, informal conferences, and formal evidentiary hearings. ~~Hold at least 3 regular meetings each year;~~

(g) The Board shall review applicant qualifications to sit for the examination or for licensure and shall make recommendations to the Department except for those applicant qualifications that the Board designates as routinely acceptable. ~~Elect annually a chairperson and a vice chairperson who shall be professional engineers; and~~

~~(h) Submit written comments to the Secretary within 30 days from notification of any final decision or order from the Secretary that deviates from any report or recommendation of the Board relating to the qualification of applicants, discipline of licensees or registrants, or promulgation of rules.~~

Sec. 8. Applications for licensure.

(a) Applications for original licenses shall be made to the

Department in writing on forms or electronically as prescribed by the Department and shall be accompanied by the required fee, which shall not be refundable. All applications shall contain information that, in the judgment of the Department, will enable the Department to pass on the qualifications of the applicant for a license as a professional engineer or engineer intern. The Department may require an applicant, at the applicant's expense, to have an evaluation of the applicant's education in a foreign country by a nationally recognized evaluation service approved by the Department in accordance with rules adopted by the Department. ~~Applications for licensure shall (1) be on forms prescribed and furnished by the Department, (2) contain statements made under oath showing the applicant's education and a detailed summary of the applicant's technical work, and (3) contain references as required by the Department.~~

(b) Applicants have 3 years from the date of application to complete the application process. If the process has not been completed in 3 years, the application shall be denied, the fee shall be forfeited, and the applicant must reapply and meet the requirements in effect at the time of reapplication. ~~Applicants shall have obtained the education and experience as required in Section 10 or Section 11 prior to submittal of application for licensure. Allowable experience shall commence at the date of the baccalaureate degree, except:~~

~~(1) Credit for one year of experience shall be given~~

~~for a graduate of a baccalaureate curriculum providing a cooperative program, which is supervised industrial or field experience of at least one academic year which alternates with periods of full-time academic training, when such program is certified by the university, or~~

~~(2) Partial credit may be given for professional engineering experience as defined by rule for employment prior to receipt of a baccalaureate degree if the employment is full-time while the applicant is a part-time student taking fewer than 12 hours per semester or 8 hours per quarter to earn the degree concurrent with the full-time engineering experience.~~

~~(3) If an applicant files an application and supporting documents containing a material misstatement of information or a misrepresentation for the purpose of obtaining licensure or enrollment or if an applicant performs any fraud or deceit in taking any examination to qualify for licensure or enrollment under this Act, the Department may issue a rule of intent to deny licensure or enrollment and may conduct a hearing in accordance with Sections 26 through 33 and Sections 37 and 38 of this Act.~~

~~The Board may conduct oral interviews of any applicant under Sections 10, 11, or 19 to assist in the evaluation of the qualifications of the applicant.~~

~~It is the responsibility of the applicant to supplement the application, when requested by the Board, by provision of~~

~~additional documentation of education, including transcripts, course content and credentials of the engineering college or college granting related science degrees, or of work experience to permit the Board to determine the qualifications of the applicant. The Department may require an applicant, at the applicant's expense, to have an evaluation of the applicant's education in a foreign country by a nationally recognized evaluating service approved by the Department.~~

~~An applicant who graduated from an engineering program outside the United States or its territories and whose first language is not English shall submit certification of passage of the Test of English as a Foreign Language (TOEFL) and a test of spoken English as defined by rule. However, any such applicant who subsequently earns an advanced degree from an accredited educational institution in the United States or its territories shall not be subject to this requirement.~~

(Section scheduled to be repealed on January 1, 2020)

~~Sec. 9. Licensure qualifications; Examinations; Failure or refusal to take examinations.~~

(a) The Department shall authorize examinations of applicants for a license under this Act at such times and places as it may determine by rule. The examinations shall be of a character to give a fair test of the qualifications of the

applicant to practice as a professional engineer or engineer intern.

(b) Applicants for examination are required to pay, either to the Department or the designated testing service, a fee covering the cost of providing the examination. Failure to appear for the examination on the scheduled date, at the time and place specified, after the applicant's application for examination has been received and acknowledged by the Department or the designated testing service, shall result in the forfeiture of the examination fee.

(c) If an applicant fails to pass an examination for licensure under this Act within 3 years after filing the application, the application shall be denied. However, such applicant may thereafter make a new application for examination accompanied by the required fee and must furnish proof of meeting the qualifications for examination in effect at the time of new application.

~~Examinations provided for by this Act shall be conducted under rules prescribed by the Department. Examinations shall be held not less frequently than semi-annually, at times and places prescribed by the Department, of which applicants shall be notified by the Department in writing.~~

~~Examinations of the applicants who seek to practice professional engineering shall ascertain: (a) if the applicant has an adequate understanding of the basic and engineering sciences, which shall embrace subjects required of candidates~~

~~for an approved baccalaureate degree in engineering, and (b) if the training and experience of the applicant have provided a background for the application of the basic and engineering sciences to the solution of engineering problems. The Department may by rule prescribe additional subjects for examination. If an applicant neglects, fails to take, or refuses to take the next available examination offered for licensure under this Act within 3 years after filing the application, the fee paid by the applicant shall be forfeited and the application denied. If an applicant fails to pass an examination for licensure under this Act within 3 years after filing the application, the application shall be denied. However, such applicant may thereafter make a new application for examination, accompanied by the required fee.~~

Sec. 10. Minimum standards for licensure as professional engineer.

(a) To qualify for licensure as a professional engineer, each applicant shall be:

(1) ~~(a)~~ a graduate of an approved engineering curriculum of at least 4 years who submits acceptable evidence to the Board of an additional 4 years or more of experience in engineering work of a grade and character

that ~~which~~ indicate that the individual may be competent to practice professional engineering, and who has passed an examination in the fundamentals of engineering as defined by rule and an examination in the principles and practice of engineering as defined by rule. Upon submitting an application with proof of passing both examinations, the applicant, if otherwise qualified, shall be granted a license to practice professional engineering in this State; or

(2) ~~(b)~~ a graduate of a non-approved engineering curriculum or a related science curriculum of at least 4 years and which meets the requirements as set forth by rule by submitting an application to the Department for its review and approval, who submits acceptable evidence to the Board of an additional 8 years or more of experience in engineering work of a grade and character which indicate that the individual may be competent to practice professional engineering, and who has passed an examination in the fundamentals of engineering as defined by rule and an examination in the principles and practice of engineering as defined by rule. Upon submitting the application with proof of passing both examinations, the applicant, if otherwise qualified, shall be granted a license to practice professional engineering in this State; or

(3) ~~(c)~~ an Illinois engineer intern, by application and

payment of the required fee, may then take an examination in the principles and practice of engineering as defined by rule. If the applicant passes that examination and submits evidence to the Board that meets the experience qualification of paragraph (1) or (2) ~~subsection (a) or (b) of this Section~~, the applicant, if otherwise qualified, shall be granted a license to practice professional engineering in this State.

(b) Allowable experience for licensure shall commence at the date of the baccalaureate degree, except for experience gained while the applicant is a part-time student taking fewer than 12 hours per semester or 8 hours per quarter to earn the degree concurrent with the full-time engineering experience.

(c) When considering an applicant's qualifications for licensure under this Act, the Department may take into consideration whether an applicant has engaged in conduct or actions that would constitute a violation of the Standards of Professional Conduct for this Act as provided ~~for~~ by administrative rules.

Sec. 11. Minimum standards for examination for enrollment as engineer intern. Each of the following is considered a minimum standard that an applicant must satisfy to qualify for

enrollment as an engineer intern:

(a) A graduate of an approved engineering curriculum of at least 4 years, who has passed an examination in the fundamentals of engineering as defined by rule, shall be enrolled as an engineer intern, if the applicant is otherwise qualified; or

(b) An applicant in the last year of an approved engineering curriculum who passes an examination in the fundamentals of engineering as defined by rule and furnishes proof that the applicant graduated within a 12-month ~~12-month~~ period following the examination shall be enrolled as an engineer intern, if the applicant is otherwise qualified; or

(c) A graduate of a non-approved engineering curriculum or a related science curriculum of at least 4 years and which meets the requirements as set forth by rule by submitting an application to the Department for its review and approval, who submits acceptable evidence to the Board of an additional 4 years or more of progressive experience in engineering work, and who has passed an examination in the fundamentals of engineering as defined by rule shall be enrolled as an engineer intern, if the applicant is otherwise qualified.

Sec. 14. Seal. Every professional engineer shall have a reproducible seal or stamp, which may be computer generated, the imprint of which shall ~~the print of which shall be reproducible and~~ contain the name of the professional engineer, the professional engineer's license number, and the words "Licensed Professional Engineer of Illinois". Any reproducible stamp heretofore authorized under the laws of this State ~~state~~ for use by a professional engineer, including those with the

words "Registered Professional Engineer of Illinois", shall serve the same purpose as the seal provided for by this Act. The engineer shall be responsible for his or her seal and signature as defined by rule. When technical submissions are prepared utilizing a computer or other electronic means, the seal may be generated by the computer. The licensee may provide, at his or her sole discretion, an original signature in the licensee's handwriting, a scanned copy of the technical submission bearing an original signature, or a signature generated by a computer.

The use of a professional engineer's seal on technical submissions constitutes a representation by the professional engineer that the work has been prepared by or under the personal supervision of the professional engineer or developed in conjunction with the use of accepted engineering standards. The use of the seal further represents that the work has been prepared and administered in accordance with the standards of reasonable professional skill and diligence.

~~It is unlawful to affix one's seal to technical submissions if it masks the true identity of the person who actually exercised direction, control and supervision of the preparation of such work. A professional engineer who seals and signs technical submissions is not responsible for damage caused by subsequent changes to or uses of those technical submissions, where the subsequent changes or uses, including changes or uses made by State or local governmental agencies,~~

~~are not authorized or approved by the professional engineer who originally sealed and signed the technical submissions.~~

Sec. 15. Technical submissions.

(a) Technical submissions are the designs, drawings, and specifications that establish the scope of the professional engineering project, the standard of quality for materials, workmanship, equipment, and constructions systems, and the studies and other technical reports and calculations prepared in the course of the practice of professional engineering. All technical submissions prepared by or under the personal supervision of a professional engineer shall bear that professional engineer's seal, signature, and license expiration date. The licensee's written signature and date of signing, along with the date of license expiration, shall be placed adjacent to the seal. ~~Computer generated signatures are not permitted.~~

(b) All technical submissions intended for use in the State of Illinois shall be prepared and administered in accordance with standards of reasonable professional skill and diligence. Care shall be taken to reflect the requirements of State statutes and, where applicable, county and municipal ordinances in such submissions. In recognition that

professional engineers are licensed for the protection of the public, health, safety, and welfare, submissions shall be of such quality and scope, and be so administered, as to conform to professional standards.

(c) No officer, board, commission, or other public entity that receives technical submissions shall accept for filing or approval any technical submissions relating to services requiring the involvement of a professional engineer that do not bear the seal and signature of a professional engineer licensed under this Act.

(d) It is unlawful to affix one's seal to technical submissions if it masks the true identity of the person who actually exercised responsible control of the preparation of such work. A professional engineer who seals and signs technical submissions is not responsible for damage caused by subsequent changes to or uses of those technical submissions where the subsequent changes or uses, including changes or uses made by State or local governmental agencies, are not authorized or approved in writing by the professional engineer who originally sealed and signed the technical submissions.

(e) The professional engineer who has contract responsibility shall seal a cover sheet of the technical submissions, and those individual portions of the technical submissions for which the professional engineer is legally and professionally responsible. The professional engineer practicing as the support design professional shall seal those

individual portions of technical submissions for which the professional engineer is legally and professionally responsible.

~~All technical submissions intended for use in construction in the State of Illinois shall be prepared and administered in accordance with standards of reasonable professional skill and diligence. Care shall be taken to reflect the requirements of State statutes and, where applicable, county and municipal ordinances in such documents. In recognition that professional engineers are licensed for the protection of the public health, safety and welfare, documents shall be of such quality and scope, and be so administered as to conform to professional standards.~~

Sec. 17. Renewal, reinstatement, or restoration of license; persons in military service ~~Licensure; Renewal; Restoration; Person in military service; Retired.~~

(a) The expiration date and renewal period for each professional engineer license issued under this Act shall be set by the Department by rule. The holder of a license may renew such license during the month preceding the expiration date by paying the required fee. ~~The enrollment of an engineer intern shall not expire.~~

(b) A professional engineer who has permitted his or her license to expire or has had his or her license placed on inactive status may have his or her ~~Any person whose license has expired or whose license is on inactive status may have such~~ license restored by making application to the Department and filing proof acceptable to the Department of his or her ~~that person's~~ fitness to have his or her ~~such~~ license restored, including, but not limited to, ~~which may include~~ sworn evidence certifying to active practice in another jurisdiction satisfactory to the Department and by paying the required restoration fee as determined by rule. ~~If the person has not maintained an active practice in another jurisdiction~~

~~satisfactory to the Department, the Board shall determine, by an evaluation program established by rule, the person's fitness to resume active status and may require the person to complete a period of evaluated experience and may require successful completion of the principles and practice examination.~~

(c) A professional engineer whose license has expired while engaged (1) in federal service on active duty with the Armed Forces of the United States or the State Militia called into service or training, or (2) in training or education under the supervision of the United States before induction into the military service, may have the license restored or reinstated without paying any lapsed reinstatement, renewal, or restoration fees if within 2 years after termination other than by dishonorable discharge of such service, training, or education and the Department is furnished with satisfactory evidence that the licensee has been so engaged in the practice of professional engineering and that such service, training, or education has been so terminated. ~~However, any person whose license expired while that person was (1) in Federal Service on active duty with the Armed Forces of the United States, or the State Militia called into service or training, or (2) in training or education under the supervision of the United States preliminary to induction into the military service, may have such license renewed or restored without paying any lapsed renewal fees if, within 2 years after honorable termination of such service, training, or education, except under conditions~~

~~either than honorable, the Department is furnished with satisfactory evidence that the person has been so engaged and has maintained professional competence and that such service, training or education has been so terminated.~~

(d) The enrollment of an engineer intern does not expire.

~~Each application for renewal shall contain the original seal and signature of the professional engineer. Applicants for renewal or restoration shall certify that all conditions of their license meet the requirements of the Illinois Professional Engineering Practice Act of 1989.~~

(e) Any person who has been duly licensed as a professional engineer by the Department and who chooses to deactivate or not renew his or her license may use the title "Professional Engineer, Retired". Those persons using the title "Professional Engineer, Retired" may request restoration to active status under the applicable provisions of Sections 17, 17.5, and 18 of this Act.

The use of the title "Professional Engineer, Retired" shall not constitute representation of current licensure. Any person without an active license shall not be permitted to practice engineering as defined in this Act.

Nothing in this Section shall be construed to require the Department to issue any certificate, credential, or other document indicating that a person has been granted the title, "Professional Engineer, Retired".

Sec. 20.5. Returned checks; fines. Any person who delivers a check or other payment to the Department that is returned to the Department unpaid by the financial institution upon which it is drawn shall pay to the Department, in addition to the amount already owed to the Department, a fine of \$50. The fines imposed by this Section are in addition to any other discipline provided under this Act for unlicensed practice or practice on a nonrenewed license. The Department shall notify the person that payment of fees and fines shall be paid to the Department by certified check or money order within 30 calendar days of the notification. If, after the expiration of 30 days from the date of the notification, the person has failed to submit the necessary remittance, the Department shall automatically terminate the license or deny the application, without hearing. If, after termination or denial, the person seeks a license, he

or she shall apply to the Department for restoration or issuance of the license and pay all fees and fines due to the Department. The Department may establish a fee for the processing of an application for restoration of a license to pay all expenses of processing this application. The Secretary may waive the fines due under this Section in individual cases where the Secretary finds that the fines would be unreasonable or unnecessarily burdensome.

(225 ILCS 325/20.10 new)

Sec. 20.10. Unlicensed practice; violation; civil penalty.

(a) Any person who practices, offers to practice, attempts to practice, or holds himself or herself out to practice as a professional engineer or engineer intern without being licensed or exempt under this Act shall, in addition to any other penalty provided by law, pay a civil penalty to the Department in an amount not to exceed \$10,000 for each offense, as determined by the Department. The civil penalty shall be assessed by the Department after a hearing is held in accordance with this Act regarding the provision of a hearing for the discipline of a licensee.

(b) A firm or business that offers design services under this Act without being registered as a professional design firm or exempt under this Act shall, in addition to any other penalty provided by law, pay a civil penalty to the Department in an amount not to exceed \$10,000 for each offense, as

determined by the Department. The civil penalty shall be assessed by the Department after a hearing is held in accordance with this Act regarding the provision of a hearing for the discipline of a licensee.

(c) The Department may investigate any actual, alleged, or suspected unlicensed activity.

(d) The civil penalty shall be paid within 60 days after the effective date of the order imposing the civil penalty. The order shall constitute a final judgment and may be filed and execution had thereon in the same manner as any judgment from any court of record.

(e) A person or entity not licensed or registered under this Act that has violated any provision of this Act or its rules is guilty of a Class A misdemeanor for the first offense and a Class 4 felony for a second and subsequent offenses.

(Section scheduled to be repealed on January 1, 2020)

Sec. 23. Professional design firm registration.

(a) Nothing in this Act shall prohibit the formation, under the provisions of the Professional Service Corporation Act, ~~as amended,~~ of a corporation to practice professional engineering.

Any business, including a Professional Service Corporation, that includes within its stated purposes or practices, or holds itself out as available to practice,

professional engineering shall be registered with the Department pursuant to the provisions set forth in this Section.

Any sole proprietorship not owned and operated by an Illinois licensed design professional licensed under this Act shall be prohibited from offering professional engineering services to the public. Any sole proprietorship owned and operated by a professional engineer with an active license issued under this Act and conducting or transacting such business under an assumed name in accordance with the provisions of the Assumed Business Name Act shall comply with the registration requirements of a professional design firm. Any sole proprietorship owned and operated by a professional engineer with an active license issued under this Act and conducting or transacting such business under the real name of the sole proprietor is exempt from the registration requirements of a professional design firm. "Illinois licensed design professional" means a person who holds an active license as a professional engineer under this Act, as an architect under the Illinois Architecture Practice Act of 1989, or as a structural engineer under the Structural Engineering Practice Act of 1989.

(b) Any professional design firm seeking to be registered pursuant to the provisions of this Section shall not be registered unless one or more managing agents in charge of professional engineering activities in this State are

designated by the professional design firm. Each managing agent must at all times maintain a valid, active license to practice professional engineering in Illinois.

No individual whose license to practice professional engineering in this State is currently in a suspended or revoked status shall act as a managing agent for a professional design firm.

(c) Any business seeking to be registered under this Section shall make application on a form provided by the Department and shall provide such information as requested by the Department, which shall include, but not be limited to:

(1) the name and license number of the person designated as the managing agent in responsible charge of the practice of professional engineering in Illinois. In the case of a corporation, the corporation shall also submit a certified copy of the resolution by the board of directors designating the managing agent. In the case of a limited liability company, the company shall submit a certified copy of either its articles of organization or operating agreement designating the managing agent;

(2) the names and license numbers of the directors, in the case of a corporation, the members, in the case of a limited liability company, or general partners, in the case of a partnership;

(3) a list of all office locations at which the professional design firm provides professional engineering

services to the public; and

(4) a list of all assumed names of the business. Nothing in this Section shall be construed to exempt a professional design firm, sole proprietorship, or professional service corporation from compliance with the requirements of the Assumed Business Name Act.

It is the responsibility of the professional design firm to provide the Department notice, in writing, of any changes in the information requested on the application.

(d) The Department shall issue to each business a certificate of registration to practice professional engineering or offer the services of its licensees in this State upon submittal of a proper application for registration and payment of fees. The expiration date and renewal period for each registration and renewal procedures shall be established by rule.

(e) In the event a managing agent is terminated or terminates his or her status as managing agent of the professional design firm, the managing agent and the professional design firm shall notify the Department of this fact in writing, by regular ~~certified~~ mail or email, within 10 business days of such termination. Thereafter, the professional design firm, if it has so informed the Department, shall have 30 days in which to notify the Department of the name and license number of a newly designated managing agent. If a corporation, the corporation shall also submit a certified

copy of a resolution by the board of directors designating the new managing agent. If a limited liability company, the company shall also submit a certified copy of either its articles of organization or operating agreement designating the new managing agent. The Department may, upon good cause shown, extend the original 30-day ~~30-day~~ period.

If the professional design firm has not notified the Department in writing, by regular ~~certified~~ mail or email within the specified time, the registration shall be terminated without prior hearing. Notification of termination shall be sent by regular ~~certified~~ mail or email to the last known address of the business. If the professional design firm continues to operate and offer professional engineering services after the termination, the Department may seek prosecution under Sections 21 and 24, ~~39, and 40 of this Act~~ for the unlicensed practice of professional engineering.

(f) No professional design firm shall be relieved of responsibility for the conduct or acts of its agent, employees, members, managers, or officers by reason of its compliance with this Section, nor shall any individual practicing professional engineering be relieved of the responsibility for professional services performed by reason of the individual's employment or relationship with a professional design firm registered under this Section.

(g) Disciplinary action against a professional design firm registered under this Section shall be administered in the same

manner and on the same grounds as disciplinary action against a licensed professional engineer. All disciplinary action taken or pending against a corporation or partnership before the effective date of this amendatory Act of 1993 shall be continued or remain in effect without the Department filing separate actions.

(2) Negligence, incompetence, or misconduct in the practice of professional engineering. ~~Violations of this Act or any of its rules.~~

(3) Failure to comply with any provisions of this Act or any of its rules. ~~Conviction of or entry of a plea of guilty or nolo contendere to any crime that is a felony under the laws of the United States or any state or territory thereof, or that is a misdemeanor, an essential element of which is dishonesty, or any crime that is directly related to the practice of engineering.~~

(4) Fraud or any misrepresentation in applying for or procuring a license under this Act or in connection with applying for renewal or restoration of a license under this Act. ~~Making any misrepresentation for the purpose of obtaining, renewing, or restoring a license or violating any provision of this Act or the rules promulgated under this Act pertaining to advertising.~~

(5) Purposefully making false statements or signing false statements, certificates, or affidavits to induce

~~payment. Willfully making or signing a false statement, certificate, or affidavit to induce payment.~~

(6) Conviction of or entry of a plea of guilty or nolo contendere, finding of guilt, jury verdict, or entry of judgment or sentencing, including, but not limited to, convictions, preceding sentences of supervision, conditional discharge or first offender probation under the laws of any jurisdiction of the United States that is (i) a felony or (ii) a misdemeanor, an essential element of which is dishonesty, that is directly related to the practice of the profession of professional engineering. ~~Negligence, incompetence or misconduct in the practice of professional engineering as a licensed professional engineer or in working as an engineer intern.~~

(7) Aiding or assisting another person in violating any provision of this Act or its rules.

(8) Failing to provide information in response to a written request made by the Department within 60 ~~30~~ days after receipt of such written request.

(9) Engaging in dishonorable, unethical, or unprofessional conduct of a character likely to deceive, defraud, or harm the public.

(10) Habitual or excessive use or abuse of drugs defined in law as controlled substances, of alcohol, narcotics, stimulants, or any other substances that results in the inability to practice with reasonable

~~judgment, skill, or safety. Inability to practice the profession with reasonable judgment, skill, or safety as a result of a physical illness, including, but not limited to, deterioration through the aging process or loss of motor skill, or mental illness or disability.~~

(11) A finding by the Department that an applicant or licensee has failed to pay a fine imposed by the Department. ~~Discipline by the United States Government, another state, District of Columbia, territory, foreign nation or government agency, if at least one of the grounds for the discipline is the same or substantially equivalent to those set forth in this Act.~~

(12) A finding by the Department that the licensee, after having his or her license placed on probationary status, has violated the terms of probation or failed to comply with such terms. ~~Directly or indirectly giving to or receiving from any person, firm, corporation, partnership or association any fee, commission, rebate or other form of compensation for any professional services not actually or personally rendered.~~

(13) Inability to practice the profession with reasonable judgment, skill, or safety as a result of physical illness, including, but not limited to, deterioration through the aging process, loss of motor skill, mental illness, or disability. ~~A finding by the Department that an applicant or registrant has failed to~~

~~pay a fine imposed by the Department, a registrant whose license has been placed on probationary status has violated the terms of probation, or a registrant has practiced on an expired, inactive, suspended, or revoked license.~~

(14) Discipline by another state, territory, foreign country, the District of Columbia, the United States government, or any other government agency if at least one of the grounds for discipline is the same or substantially equivalent to those set forth in this Act. ~~Signing, affixing the professional engineer's seal or permitting the professional engineer's seal to be affixed to any technical submissions not prepared as required by Section 14 or completely reviewed by the professional engineer or under the professional engineer's direct supervision.~~

(15) The making of any willfully false oath or affirmation in any matter or proceeding where an oath or affirmation is required by this Act. ~~Inability to practice the profession with reasonable judgment, skill or safety as a result of habitual or excessive use or addiction to alcohol, narcotics, stimulants, or any other chemical agent or drug.~~

(16) Using or attempting to use an expired, inactive, suspended, or revoked license or the certificate or seal of another or impersonating another licensee. ~~The making of a statement pursuant to the Environmental Barriers Act that a plan for construction or alteration of a public facility or~~

~~for construction of a multi-story housing unit is in compliance with the Environmental Barriers Act when such plan is not in compliance.~~

(17) Directly or indirectly giving to or receiving from any person or entity any fee, commission, rebate, or other form of compensation for any professional service not actually or personally rendered. (Blank).

(18) Signing or affixing the professional engineer's seal or permitting the seal to be affixed to any technical submissions not prepared by the professional engineer or under the professional engineer's supervision and control.

(19) Making a statement pursuant to the Environmental Barriers Act that a plan for construction or alteration of a public facility or for construction of a multi-story housing unit is in compliance with the Environmental Barriers Act when such plan is not in compliance.

~~(a 2) The Department shall deny a license or renewal authorized by this Act to a person who has failed to file a return, to pay the tax, penalty, or interest shown in a filed return, or to pay any final assessment of tax, penalty, or interest as required by any tax Act administered by the Department of Revenue, until such time as the requirements of the tax Act are satisfied in accordance with subsection (g) of Section 2105-15 of the Department of Professional Regulation Law of the Civil Administrative Code of Illinois (20 ILCS 2105/2105-15).~~

~~(a-3) (Blank).~~

~~(a-4) In cases where the Department of Healthcare and Family Services (formerly the Department of Public Aid) has previously determined that a licensee or a potential licensee is more than 30 days delinquent in the payment of child support and has subsequently certified the delinquency to the Department, the Department shall refuse to issue or renew or shall revoke or suspend that person's license or shall take other disciplinary action against that person based solely upon the certification of delinquency made by the Department of Healthcare and Family Services in accordance with subdivision (a)(5) of Section 2105-15 of the Department of Professional Regulation Law of the Civil Administrative Code of Illinois (20 ILCS 2105/2105-15).~~

(a-5) In enforcing this Section, the Department or Board, upon a showing of a possible violation, may order a licensee or applicant to submit to a mental or physical examination, or both, at the expense of the Department. The Department or Board may order the examining physician to present testimony concerning his or her examination of the licensee or applicant. No information shall be excluded by reason of any common law or statutory privilege relating to communications between the licensee or applicant and the examining physician. The examining physicians shall be specifically designated by the Board or Department. The licensee or applicant may have, at his or her own expense, another physician of his or her choice

present during all aspects of the examination. Failure of a licensee or applicant to submit to any such examination when directed, without reasonable cause as defined by rule, shall be grounds for either the immediate suspension of his or her license or immediate denial of his or her application.

If the Secretary immediately suspends the license of a licensee for his or her failure to submit to a mental or physical examination when directed, a hearing must be convened by the Department within 15 days after the suspension and completed without appreciable delay.

If the Secretary otherwise suspends a license pursuant to the results of the licensee's mental or physical examination, a hearing must be convened by the Department within 15 days after the suspension and completed without appreciable delay. The Department and Board shall have the authority to review the licensee's record of treatment and counseling regarding the relevant impairment or impairments to the extent permitted by applicable federal statutes and regulations safeguarding the confidentiality of medical records.

Any licensee suspended under this subsection (a-5) shall be afforded an opportunity to demonstrate to the Department or Board that he or she can resume practice in compliance with the acceptable and prevailing standards under ~~the provisions of~~ his or her license.

(b) The determination by a circuit court that a registrant is subject to involuntary admission or judicial admission as

provided in the Mental Health and Developmental Disabilities Code, ~~as now or hereafter amended,~~ operates as an automatic suspension. Such suspension will end only upon a finding by a court that the patient is no longer subject to involuntary admission or judicial admission, the issuance of an order so finding and discharging the patient, and the recommendation of the Board to the Secretary ~~Director~~ that the registrant be allowed to resume practice.

(c) In cases where the Department of Healthcare and Family Services (formerly the Department of Public Aid) has previously determined that a licensee or a potential licensee is more than 30 days delinquent in the payment of child support and has subsequently certified the delinquency to the Department, the Department shall refuse to issue or renew or shall revoke or suspend that person's license or shall take other disciplinary action against that person based solely upon the certification of delinquency made by the Department of Healthcare and Family Services in accordance with paragraph (5) of subsection (a) of Section 2105-15 of the Department of Professional Regulation Law of the Civil Administrative Code of Illinois.

(d) The Department shall refuse to issue or renew or shall revoke or suspend a person's license or shall take other disciplinary action against that person for his or her failure to file a return, to pay the tax, penalty, or interest shown in a filed return, or to pay any final assessment of tax, penalty, or interest as required by any tax Act administered by the

Department of Revenue, until the requirements of the tax Act are satisfied in accordance with subsection (g) of Section 2105-15 of the Department of Professional Regulation Law of the Civil Administrative Code of Illinois.

Sec. 25. ~~Violations;~~ Injunction; cease ~~Cease~~ and desist order.

(a) If any person or ~~other~~ entity violates the provisions of this Act, the Secretary ~~Director~~, in the name of the People of the State of Illinois, through the Attorney General of the State of Illinois or the State's Attorney of the county in which the violation is alleged to have occurred, may petition the circuit court for an order enjoining such violation or for an order enforcing compliance with this Act. Upon the filing of a verified petition, the court may issue a temporary restraining order, without bond, and may preliminarily and permanently enjoin such violation. If it is established that such person or other entity has violated or is violating the injunction, the court may punish the offender for contempt of court. Proceedings under this Section shall be in addition to, and not in lieu of, all other remedies and penalties provided by this Act.

(b) (Blank). ~~If any person practices as a professional~~

~~engineer or holds himself out as such, without being licensed under the provisions of this Act, then any professional engineer, or any interested party or any person injured thereby may, in addition to the Director, petition for relief as provided in this Section.~~

(c) (Blank)

(d) Whenever in the opinion of the Department, any person or ~~other~~ entity violates any provision of this Act, the Department may issue a notice to show cause why an order to cease and desist should not be entered against that person or ~~other~~ entity. The rule shall clearly set forth the grounds relied upon by the Department and shall provide a period of 7 days from the date of the rule to file an answer to the satisfaction of the Department. Failure to answer to the satisfaction of the Department shall cause an order to cease and desist to be issued immediately.

Sec. 26. Investigations; notice and hearing.

(a) The Department may investigate the actions of any applicant or of any person or entity holding or claiming to hold a license or registration under this Act.

(b) Before the initiation of a formal complaint, the matter shall be reviewed by a subcommittee of the Board according to

procedures established by rule for the Complaint Committee. If a subcommittee has not been formed, the matter shall proceed through the process as stated in subsection (c) of this Section.

(c) The Department shall, before disciplining an applicant or licensee, at least 30 days before the date set for the hearing, (i) notify in writing the applicant or licensee of the charges made and the time and place for the hearing on the charges, (ii) direct the applicant or licensee to file a written answer to the charges under oath within 20 days after the service of the notice, and (iii) inform the applicant or licensee that failure to file a written answer to the charges will result in a default being entered against the applicant or licensee.

(d) Written or electronic notice, and any notice in the subsequent proceeding, may be served by personal delivery, by email, or by mail to the applicant or licensee at his or her address of record or email address of record.

(e) At the time and place fixed in the notice, the Board or hearing officer appointed by the Secretary shall proceed to hear the charges, and the parties or their counsel shall be accorded ample opportunity to present any statement, testimony, evidence, and argument as may be pertinent to the charges or to their defense. The Board or hearing officer may continue the hearing from time to time.

(f) In case the licensee or applicant, after receiving the

notice, fails to file an answer, the license or application may, in the discretion of the Secretary, having first received the recommendation of the Board, be suspended, revoked, or placed on probationary status, or be subject to whatever disciplinary action the Secretary considers proper, including limiting the scope, nature, or extent of the person's practice or imposition of a fine, without hearing, if the act or acts charged constitute sufficient grounds for the action under this Act.

~~The Department may investigate the actions of any applicant or of any person or entity holding or claiming to hold a license or registration or offering professional engineering services. Before the initiation of an investigation, the matter shall be reviewed by a subcommittee of the Board according to procedure established by rule for the Complaint Committee. The Department shall, before refusing to issue, restore or renew a license or registration or otherwise discipline a licensee or registrant, at least 30 days prior to the date set for the hearing, notify in writing the applicant for, or holder of, a license or registration of the nature of the charges, that a hearing will be held on the date designated, and direct the applicant or entity or licensee or registrant to file a written answer to the Department under oath within 20 days after the service of the notice and inform the applicant or entity or licensee or registrant that failure to file an answer will result in default being taken against the applicant or entity or licensee~~

~~or registrant and that the license or certificate may be suspended, revoked, placed on probationary status, or other disciplinary action may be taken, including limiting the scope, nature or extent of practice, as the Secretary may deem proper. Sec. 29. Hearing; motion for rehearing ~~Notice of hearing;~~  
~~Findings and recommendations.~~

(a) The Board or hearing officer appointed by the Secretary shall hear evidence in support of the formal charges and evidence produced by the licensee. At the conclusion of the hearing, the Board or hearing officer shall present to the Secretary a written report of its findings of fact, conclusions of law, and recommendations. If the Board fails to present its report, the applicant or licensee may request in writing a direct appeal to the Secretary, in which case the Secretary may issue an order based upon the report of the hearing officer and the record of the proceedings or issue an order remanding the matter back to the hearing officer for additional proceedings in accordance with the order.

(b) At the conclusion of the hearing, a copy of the Board or hearing officer's report shall be served upon the applicant or licensee, either personally or as provided in this Act for the service of the notice of hearing. Within 20 calendar days after such service, the applicant or licensee may present to the Department a motion, in writing, for a rehearing which shall specify the particular grounds for rehearing. The Department may respond to the motion for rehearing within 20 calendar days after its service on the Department. If no motion

for rehearing is filed, then upon the expiration of the time specified for filing such a motion, or upon denial of a motion for rehearing, the Secretary may enter an order in accordance with the recommendations of the Board or hearing officer. If the applicant or licensee orders from the reporting service and pays for a transcript of the record within the time for filing a motion for rehearing, the 20 calendar day period within which a motion may be filed shall commence upon delivery of the transcript to the applicant or licensee.

(c) If the Secretary disagrees in any regard with the report of the Board, the Secretary may issue an order contrary to the report. The Secretary shall notify the Board on any such deviation and shall specify with particularity the reasons for such action in the final order.

(d) Whenever the Secretary is not satisfied that substantial justice has been done, the Secretary may order a hearing by the same or another hearing officer.

(e) At any point in any investigation or disciplinary proceeding provided for in this Act, both parties may agree to a negotiated consent order. The consent order shall be final upon signature of the Secretary.

~~At the conclusion of the hearing, the Board shall present to the Secretary a written report of its finding and recommendations. The report shall contain a finding whether or not the accused person violated this Act or its rules or failed to comply with the conditions required in this Act or its~~

~~rules. The Board shall specify the nature of the violation or failure to comply, and shall make its recommendations to the Secretary. The Board may take into consideration in making its recommendations for discipline all facts and circumstances bearing upon the reasonableness of the conduct of the respondent and the potential for future harm to the public, including but not limited to previous discipline by the Department, intent, degree of harm to the public and likelihood of harm in the future, any restitution made, and whether the incident or incidents complained of appear to be isolated or a pattern of conduct. In making its recommendations for discipline, the Board shall endeavor to ensure that the severity of the discipline recommended bears some reasonable relationship to the severity of the violation. The report of findings of fact, conclusions of law and recommendation of the Board shall be the basis for the Department's order refusing to issue, restore or renew a license, or otherwise discipline a registrant. If the Secretary disagrees in any regard with the report of the Board, the Secretary may issue an order in contravention thereof, following the procedures set forth in Section 7. The Secretary shall provide a written report to the Board on any deviation, and shall specify with particularity the reasons for said action. The finding is not admissible in evidence against the person in a criminal prosecution brought for the violation of this Act, but the hearing and finding are not a bar to a criminal prosecution brought for the violation~~

~~of this Act.~~
